# LAUREATO ABSOLUTE ROCK

## TECHNICAL INFORMATION

Case in carbon glass

Ø 44 mm

Case-back secured by 6 screws

Hours, minutes, small seconds, chronograph, date

Self-winding mechanical movement, GP03300

Power reserve of min. 46 hours

Number of components: 419

## LAUNCH ELEMENTS

Reference: 81060-36-691-FH6A

Retail price: USD 15'900

**Limited edition of 100 pieces (not numbered)**

## KEY POINTS

- ❖ GP presents **CARBON GLASS**, a **WORLD PREMIERE** allying the strength of carbon to vivid blue fiber glass.
- ❖ **Manufactured under a patented process**, carbon glass features **exceptional properties**:
  - **100 TIMES MORE RESISTANT THAN STEEL!**
  - **FULLY WATER RESISTANT**: the dense and homogeneous structure of the carbon glass - thanks to the extreme compression of the material at high temperatures - allows the case to be fully water resistant without needing any container
  - **Lightness**: carbon is one of the lightest chemical elements on earth
  - **Colorfulness**: a lively blue color lighting up the warm black carbon
- ❖ **Exclusive** thanks to a **limited production of 100 pieces**, EACH LAUREATO ABSOLUTE ROCK IS **UNIQUE** with its **very own carbon glass pattern**.
- ❖ An **Absolute design making no compromise**:
  - A faceted case of 44mm and a perfectly integrated rubber strap
  - A mat black dial with 'black or' GP logo, indexes and hands
  - A perfectly integrated rubber strap
- ❖ **Extended ergonomics and wearing comfort**:
  - An oblique case extremity integrating a rubber strap made of FKM, a particularly supple and resistant rubber type
  - A buckle with a micro adjustment system for a perfect fit on the wearer's wrist
- ❖ A **very competitive price** in regards to the highly technical, aesthetical and horological content

# LAUREATO ABSOLUTE ROCK

## PRODUCT FOCUS

- ❖ A GP exclusive carbon glass case. A patented manufacturing process for a material showcasing great water resistance, lightness and colourfulness properties.
- ❖ A mat black dial highlighting the uniqueness of the case featuring a minute scale printed on the outside
- ❖ The new Girard-Perregaux logo with a bridge on the dial
- ❖ Brighter GP monogram, indexes, hours & minutes hands made in black or
- ❖ Double anti-reflective sapphire crystal
- ❖ Black lacquer on the chronograph pushers
- ❖ A rubber strap with a fabric effect and dark blue stitching
- ❖ A carbon glass case-back featuring the Laureato Absolute logo which is engraved and finished with a grey lacquer.
- ❖ Titanium with PVD treated triple folding buckle featuring a micro adjustment system. To adjust it, proceed as follows:
  1. Place the watch on your wrist and close the buckle;
  2. Press on the buckle push-button located next to the “G” of the “GP” engraving (A);
  3. Keep the push-button pressed and slide the buckle along its axis forwards or backwards to tighten or loosen the strap (B);
  4. Once the buckle is adequately adjusted, release the push-button.
