

OPERA COLOR LIMITED EDITION COLLECTION

Opera is a collection with great personality and an unmistakable style, which faithfully reflects the prestige, elegance and femininity typical of each Buccellati piece, and that have made the brand synonymous with style and timeless beauty throughout the world.

To celebrate one hundred years since the foundation of the House, in 1919, Buccellati proposes a new, rule-breaking version of the Opera Color pendant, which wears unexpected nuances and materials.

The Limited Edition Collection is made up of 14 colourful models, each one produced in 100 pieces numbered on the back with a refined hand-engraving. The full set of these new creations will be available in all Buccellati boutiques in the world starting from June 2019.

In 2015, the “Opera “Color” collection inaugurated a new chapter in Buccellati jewelry. It was an elegant, yet cheerful, chapter; traditional and strongly innovative, brilliant and simple at the same time.

To give color to shapes and personality to colors.

Today, the Opera Color Limited Edition pendant plays with unusual stones that please a wide range of tastes, from the animalier to the more romantic one, from the dynamic fluo trend to the classic one. You can choose among colored or fluorescent enamels, striped or

pink agate, lavender jade, coral, colored marble, amethyst, howlite, unakite, blue or brown sandstone. And you can furtherly choose between a pendant with or without diamonds. The weight of the central stones will be of approximately 3,5 carats, while the most precious versions in jade, coral or agate, will be set with 29 diamonds for an approximate weight of 0,35 carats.

The Opera Color Limited Edition collection is a true firework of ideas and creativity that makes each pendant become a *must-have*: unrenounceable and unrepeatable, they all highlight the uniqueness that makes all Buccellati jewels great and precious.

BUCCELLATI
MILANO DAL 1919

As an indefatigable actor of daily elegance, the Opera Color collection evolves and re-colorize itself into the Limited Edition version to celebrate a unique and important date, giving consistency to those traditions that Buccellati has always committed to bring forward for an entire century and that are enshrined into the new, original pendant.

Buccellati celebrates its future with an explicit wish: the captivating interpretation of the Brand's iconic element by renovating the fundamental concepts that made the famous high-jewellery House one of the most renowned in the world, and above all a banner of excellence when it comes to Made in Italy and absolute elegance.

BUCCELLATI

Buccellati is one of the world's most renowned high jewelry houses, celebrated for its craftsmanship, design, and one-of-a-kind masterpieces. Buccellati prides itself in its use of rare stones with a strong focus on colour; a characteristic uncommon to many fine jewelry makers. Today, Buccellati jewels are admired worldwide not only for their design and genuine craftsmanship, but also for the house's signature engraving techniques, which date back to the ancient traditions of the goldsmith's ateliers of the Italian Renaissance. Buccellati boutiques can be found worldwide in Milan, Venice, Florence, Cala Di Volpe, Capri, Monte Carlo, Paris, Lyon, London, Moscow, Dubai, Beirut, Kuwait, Doha, New York, Chicago, Aspen, Beverly Hills, Bal Harbour, Palm Beach, New Orleans, Houston, Hong Kong, Tokyo, Seoul, Osaka, Nagoya, Shanghai, Beijing and Macau.
